# Why Did We Start GurGyan Digital School?

A Dream to Reconnect Our Children with Punjabi, Values and Sikh Heritage

The world is changing very fast today. Many Punjabi families living abroad share one common concern:

**“How can our children stay connected with their language, values and Sikh heritage?”**

Children’s routines have changed.

- ✗ Screen time has increased

- ✗ Weekend classes are not always possible
- ✗ Pick & Drop, distance, weather and busy schedules are big challenges

Feeling all these needs, a dream was born—to bring Punjabi, Values and Sikh Heritage into every Punjabi home around the world.

Can the screen at home become a Digital School?

Can a Virtual Principal + Teacher teach children at home about language, values and heritage?

Can children learn at their own pace, in their own home, with their parents by their side?

★ **“Our dream is not just to create online courses... but to build a learning culture and start a GurGyan movement in homes..”** ★

Our Mission is to Nurture Every Child with:

TOGETHER WE GROW

# HOW TO TURN SCREEN TIME INTO VALUE TIME

The screen is not the enemy.  
How we use it makes all the difference.

**RANDOM SCREEN TIME**  
Leads to distraction, restlessness and **no real learning.**

- ✗ Endless videos & scrolling
- ✗ No purpose or direction
- ✗ Attention gets weak
- ✗ Time passes, but nothing stays
- ✗ May impact sleep and focus

VS

**PURPOSEFUL SCREEN TIME**  
Leads to learning, values, and lifelong benefits.

- ✓ Quality learning content
- ✓ Clear purpose and guidance
- ✓ Stronger focus and memory
- ✓ Values, language and culture
- ✓ Better habits for the future

## Turn Screen Time into Value Time. Choose what builds your child, not just what entertains.

**SMALL FAMILY HABITS MAKE A BIG DIFFERENCE**

- Just 10–15 minutes daily of focused learning creates long-lasting results.
- Learn together as a family. Children learn best when they see their parents involved.
- Make it positive and enjoyable, not forced or stressful.
- Be consistent, not perfect. Small steps every day build a strong foundation.

**A SIMPLE DAILY ROUTINE CAN TRANSFORM YOUR CHILD**

MORNING (10–15 Minutes)	EVENING (15–20 Minutes)	NIGHT (10 Minutes)
Start the day with Punjabi	Family learning time together	Reflect, Revise, and Recharge
<ul style="list-style-type: none"> <li>✓ Alphabets &amp; Words</li> <li>✓ Short Lessons</li> <li>✓ Good Start, Peaceful Mind</li> </ul>	<ul style="list-style-type: none"> <li>✓ Stories &amp; Values</li> <li>✓ Interactive Lessons</li> <li>✓ Builds Bond, Builds Values</li> </ul>	<ul style="list-style-type: none"> <li>✓ Quick Revision</li> <li>✓ Gratitude / Ardaas</li> <li>✓ Better Sleep, Better Tomorrow</li> </ul>

**PARENT PRESENCE MATTERS MOST**

- Sit with your child. Your presence is their motivation.
- Talk about what they learned. Conversations make learning stick.
- Celebrate small progress. Encouragement builds confidence.
- Guide them kindly. We are here to support, not just to correct.

**PROGRESS, NOT PRESSURE**

- ✓ Every child is unique. Focus on improvement, not comparison.
- ✓ Make learning joyful, not a burden.
- ✓ Values and language grow with love and time.
- ✓ Consistency today creates confidence tomorrow.

We are planting seeds today that will grow for a lifetime.

“ The screen stays the same...  
but what enters a child’s heart through that screen can change. ”
